Dear Jasvant and Meera,

It is my pleasure to welcome you to the Bascom Hill Society. Your generous support qualifies you to be counted among this group of the university's closest friends. For alumni and supporters of the University of Wisconsin-Madison, the word *Bascom* is tethered to more than 170 years of UW history. It symbolizes pride, possibility, and perseverance. Fittingly, these words also characterize the Bascom Hill Society (BHS), a group of donors who have made enduring commitments to sustain excellence at UW-Madison.

Throughout the year, we invite BHS members to special events and series to celebrate the important work of renowned UW faculty and students. We hope you will join us at a future event to connect with fellow BHS members and learn about the remarkable discoveries happening on campus.

We are grateful for your ongoing commitment to the university. As a humble token of our gratitude, please enjoy the enclosed postcards to keep in touch with your loved ones. We have also designed an exclusive digital photobook as a nostalgic celebration of the UW, which can be accessed by visiting this
