Dear Dr. Modi,

I just wanted to write to thank you for your generous \$5,000 gift to the UCI School of Medicine student-run free outreach clinic. With the support of donors such as yourself, the outreach clinic can continue its mission to provide quality healthcare to those uninsured and underserved in our community as well as educational and training opportunities for our students.

Again, on behalf of the entire School of Medicine, I truly appreciate your support in partnering with us to live our goals of: Discover. Teach. Heal. Together we continue to seek to improve the lives of the people of California and beyond.

Sincerely yours,
